TENTANG

SUPPORT FOR THE IMPLEMENTATION OF LONG FORM 2020 POPULATION CENSUS

In order to support the continuation of the 2020 Population Census, referred to as the Long Form 2020 Population Census (LF-SP2020) by the Central Statistical Agency (BPS), the following are hereby communicated:

1. Based on Law Number 16 of 1997 concerning Statistics and Government Regulation Number 51 of 1999 concerning Statistical Administration and PBB recommendation regarding the 2020 Population and Housing Census (Population and Housing Census Round 2020), the Central Statistical Agency will conduct the 2020 Population Census continuation (LF-SP2020) simultaneously from May 15 to June 30, 2022;
2. LF-SP2020 data collection will target 100,240 households across the entire West Kalimantan region;
3. The number of census staff involved in LF-SP2020 in West Kalimantan is 1,908 people;
4. In order to adapt to pandemic conditions and the distribution of samples, LF-SP2020 will be conducted in two ways, namely:
 - a. *Pencil and Paper Interviewing (PAPI)* in 13 (thirteen) regencies/cities; and
 - b. *Computer Assisted Personal Interviewing (CAPI)* in Pontianak City
5. LF-SP2020 census staff will wear Personal Protective Equipment (APD) and follow the Covid-19 health protocol; and
6. LF-SP2020 results are very strategic to produce one Indonesian population data as a *benchmark* indicator of Indonesian population, demographic profile of Indonesia after the 2nd Covid-19 pandemic wave, evaluation of development achievements in the field of population on *Sustainable Development Goals (SDGs)* and the National Medium-Term Development Plan (RPJMN) as well as the basis for determining Indonesian development policies towards Indonesia Emas 2045.

Sejalan dengan hal tersebut, diminta perhatian Bupati/Walikota se-Kalimantan Barat untuk mendukung pelaksanaan *LF-SP2020* dengan:

1. berkoordinasi dan berkolaborasi dengan BPS kabupaten/kota untuk mensosialisasikan pelaksanaan *LF-SP2020* kepada seluruh jajaran di tingkat kabupaten/kota hingga RT/RW. Bahan sosialisasi dapat diakses pada *link* berikut ini <http://s.bps.go.id/publisitassp2020lanjutankalbar>; dan
2. mengajak partisipasi aktif seluruh rumah tangga terkena sampel di wilayahnya untuk menerima kedatangan petugas sensus BPS dan memberikan jawaban yang benar dan jujur atas pertanyaan yang diberikan.

Demikian untuk menjadi perhatian dalam pelaksanaannya. Atas perhatian dan kerjasamanya diucapkan terima kasih.
